Project Requirement

- Specification Requirement
- Project Requirements
- Project flow
- Web Site Handling

VARSHINI
N

SIVAVIDHYA

Project Processing

- Technology
- Futher requirements
- Data Processesing
- Cloud Platform

**PROJECT
Planning**

Project Analysis

- Collecting
Information
- Project Analysis
Data Collection

SHRUTHILEKHA.G

SRUTHI C

Image Classification

- Deep Learning
- image Processing
Flask

Fertilizer System

- classification
User Interface

**PROJECT
MODULES**

Module-1

- 1.Collecting Information
- 2.Specification requirements
- 3.Project Flow
- 4.Project requirements

Module-2

- 5.Project Analysis
- 6.Futher requirements
- 7.Technology
- 8.Data Collection

Module-3

- 9.Data Preprocessing
- 10.Data Analysis
- 11.Machine Learning Algorithms
- 12.DeepLearning

Module-4

- 13.Image Classification
- 14.WebSite Creation
- 15.Intrgating the Web Site + DL Model
- 16.disease Identification
